There were certain reservations expressed by a few State Governments on some of the components of the draft legislation including identifying the source of the fund. As it is the endeavour of the Government to reach a consensus on the matter, a Conference of the State Labour Ministers was again held on 18.1.2000 in New Delhi when views of the State Governmentts were obtained. The proposal is being re-examined on the basis of the views/comments of the State Governments.
